Protein Oxidation in Aging, Disease, and Oxidative -

The demonstration that oxidatively modified forms of proteins accumulate during aging, oxidative stress, and in some pathological conditions has focused

<http://www.jbc.org/content/272/33/20313.full>

Oxidative stress - Wikipedia, the free -

Oxidative stress reflects an imbalance between the systemic manifestation of reactive oxygen species and a biological system's ability to readily detoxify the

http://en.wikipedia.org/wiki/Oxidative_stress

Oxidative Stress - All Body Ecology Articles -

Do you want to prevent premature aging, illness and disease? Then you need to lower your oxidative stress. Find out how the antioxidant-rich Body Ecology

http://bodyecology.com/articles/oxidative_stress_how_to_prevent.php

Oxidative stress in Parkinson's disease -

Oxidative stress contributes to the cascade leading to dopamine cell degeneration in Parkinson's disease (PD).

<http://www.medscape.com/medline/abstract/12666096>

Obesity, asthma, and oxidative stress | Journal of -

Obesity is associated with increased systemic and airway oxidative stress, which may result from a combination of adipokine imbalance, comorbidities, and reduced

<http://jap.physiology.org/content/108/3/754>

Oxidative Stress: An Essential Factor in the -

The pathogenesis of various GI diseases including peptic ulcers, gastrointestinal cancers, and inflammatory bowel disease is in part due to oxidative stress.

<http://physrev.physiology.org/content/94/2/329>

Oxidative Stress and Inflammation in Heart -

Inflammation triggered by oxidative stress is the cause of much, perhaps even most, chronic human disease including human aging. The oxidative stress originates
